HEALTH ASSESSMENT

Seminar On Health Assessment

Date of Event	16/06/2026
Name & Type of Event	Seminar
Topic	Health Assessment
Conducted by	Arnav Paramedical Institute
Beneficiaries	Nursing Faculty, UG and Diploma Nursing Students

Report of the Program

The seminar on Health Assessment aimed to enhance the knowledge and practical skills of UG and Diploma Nursing students in conducting comprehensive health assessments, focusing on physical, psychological, and social dimensions of patient care.

Resource Person;

- Prof. Selvan M R, Vice Principal, Hind College of Nursing, Barabanki
- Mrs. Sushmita Chaudhari, Nursing Tutor, KGMU College of Nursing, Lucknow

The said seminar was conducted on 16/06/2026 by a welcome address of Resource persons. Technical Session I was conducted by Prof. Selvan M R and he delivered a Lecture on fundamentals of health assessment, including history taking.

Mrs. Sushmita Chaudhari has conducted a hands-on training of head-to-toe assessment and systemic examination, followed by case-based discussions and Q&A with students.

The seminar was successfully conducted with active participation from students and faculty. It contributed significantly to the academic enrichment and clinical preparedness of Nursing students.
