Report of the Program

Arnav Paramedical Institute successfully organized the Nasha Mukht Bharat Abhiyan 2026 with great enthusiasm and active participation from students, faculty members, and staff. The programme was conducted under the national theme "Nasha Mukht Bharat Abhiyaan – Viksit Bharat Ki Pehchaan," emphasizing the vision of building a healthy, responsible, and drug-free India through youth participation and community awareness.

The programme commenced with a brief inaugural session, where the Principal addressed the gathering and highlighted the harmful effects of drug and substance abuse on individuals, families, and society. The students were encouraged to become ambassadors of a drug-free nation and to spread awareness among their peers and communities.

An awareness rally was organized by the institute, in which students and faculty members marched through nearby localities carrying banners and placards displaying anti-drug messages. Participants raised slogans such as "Say No to Drugs, Yes to Life," "Healthy Youth, Strong Nation," and "Nasha Mukht Bharat, Viksit Bharat." The rally attracted the attention of the public and effectively conveyed the importance of preventing substance abuse and promoting healthy lifestyles.

During the programme, students also took a Drug-Free India Pledge, reaffirming their commitment to stay away from drugs and to motivate others to do the same. Faculty members emphasized the importance of awareness, prevention, counselling, and rehabilitation in addressing the growing challenge of substance abuse among youth.
